

SAVE THE DATE

UPCOMING MEETING

"Expanding What We Know About Off-peak Mortality in Hospitals"

July 13th, Dallas, TX

11:30am - 3:00pm

Medical City Dallas

July 30th, Houston, TX

11:30am - 3:00pm

Harris County Hospital District

Research Supported by:

Robert Wood Johnson Foundation

Reasons To Attend:

- Receive late-breaking results from first major study of nurses' night and weekend work environments
- Learn how your organization can uncover hidden risks for night and weekend mortality
- Shape the direction of future research to improve hospital safety and quality at night and on the weekend
